EXPERIENCE

Indiana University Kelley School of Business, Bloomington, IN

August 2024 – Present

Full-Stack Developer

- Develop and maintain full-stack .NET MVC web applications to support academic and administrative functions across the school
- Designed and implemented responsive, user-friendly front-end interfaces using HTML, CSS, JavaScript, JQuery, and Razor views

KPMG, Pittsburgh, PA

June 2023 – August 2023

Technology Assurance Intern

- Leveraged a range of technologies and data analysis tools, including Excel and Power BI to support audit engagements and assist in the preparation of related documentation
- Executed and documented testing of clients' IT controls in Soc 1 reports to ensure compliance with industry standards and regulations

Western Skateland, Bloomington, IN

January 2022 – May 2023

Manager

- Ensured accurate cash management by counting cash boxes at the end of the night and maintaining accurate records to improve financial oversight and stability
- Resolved customer complaints to ensure that all guests are satisfied by using customer feedback to identify areas of improvement within the business's customer service

ACTIVITIES

IU Hope Digitization Project, Bloomington, IN

November 2023 – May 2024

Project Manager

- Led a team of 3 to design and create a website for Yard Barber Lawn care & Landscaping using Wix to improve their online business and grow their online presence to grow their client base
- Taught students that joined the program to use Wix, Figma, and basic web design principles by creating student portfolios and providing them with links to Wix lessons that would prepare them to build websites for clients

Website Designer

November 2022 – October 2023

- Redesigned library and small business websites using Figma and Wix to improve website user experience for the communities and clients that they serve
- Communicated with clients throughout the redesign process, ensuring that websites are built to their standards and presenting final redesigns to clients at the end of each project

Big Brothers Big Sisters, Bloomington, IN

August 2021 – May 2023

Member

- Organized fundraiser at Western Skateland by coordinating communication between the president of the organization and the owner of the skate rink to raise \$340 to fund matches for littles and bigs
